## APHA Briefing Note 11/25

### Vet Gateway website – Reminder to Use New Sam Sign in page

Date issued: 27 March 2025

#### Purpose

1. To remind all Official Veterinarians (OVs) and, in England and Wales, Approved Tuberculin Testers (ATTs) that they should now be signing into Sam from the link available on GOV.UK.

#### Location of Sam Sign in Page

2. The Sam Sign in page has now migrated from the Vet Gateway to GOV.UK.
3. The Vet Gateway page will soon cease to exist and if you have saved or bookmarked that page you will no longer be able to use it to sign into Sam.

#### Action

4. **Please remove this link [Sam online TB test submission](#) if you have bookmarked it and replace with the new link below:**

[Submit tuberculosis \(TB\) test results using Sam - GOV.UK](#)

5. This will ensure your access to Sam will continue uninterrupted when the Vet Gateway site is no longer available.

#### Further Information

6. If you have any queries about the content migration, please contact [webmaster@apha.gov.uk](mailto:webmaster@apha.gov.uk).

APHA is an Executive Agency of the Department for Environment, Food and Rural Affairs and also works on behalf of the Scottish Government, Welsh Government and Food Standards Agency to safeguard animal and plant health for the benefit of people, the environment and the economy.
